Invitations to the 30th Anniversary Night

Please find mailed (or attached) your invitation to the 30th Anniversary Celebration Night and Meal in November. Anyone will be welcome to attend this event, but please send your RSVP to michael@nat30years.info by November 1st. We will send out a reminder closer to the event as well, either via mail or email.

"NAT Chat" - Origins Series -
Shoots are now in progress.

Shoots for the "NAT Chat" - Origins series have commenced in the Studio at BURWOOD. Any past or present member that is interested in telling their story of their time with **NAT** is invited to take part in an interview.   If you are unable to make it to the Burwood studio, we might be able to make arrangements to meet with you at another location, but it is preferred to shoot these interviews in the Studio.

Please contact David McLauchlan to book an interview time -   Mobile 0430 314 213

Email dmclauch@bigpond.net.au

NAT Brochure.

NAT Members will receive a copy of the new **NAT** brochure to inspect. This was a SMALL print run of 25 to test the formatting, etc, before printing a larger number for Members and Producers use. If anyone has any input into the contents of the brochure, please speak up now, as a FULL print run will be printed in the near future. PLEASE NOTE: - The centering of some of the content is off in this edition, however this will be fixed before the large print run is done.

NAT Calendar.

Please find enclosed (if this is mailed to you), a copy of the new **NAT** Calendar. A small supply of these is available for those that want to pass some on to Crew Members, etc. Please request these from Michael - michcos@optusnet.com.au

New NAT logo materials.

A "WeTransfer" transfer of the new **NAT** logo materials is available to members who require it, including the new **NAT** font, and all of the new logo materials. If you would like this download, please let me know via email - michcos@optusnet.com.au. A USB stick can also be arranged if you prefer.

Michael Costello,
Promotions Officer, NAT.
